Introduction

We're delighted to offer you a range of materials that enhance early learning and support the objectives of your program! To make selecting items easy, we've correlated them to the specific goals of Pennsylvania Learning Standards for Early Childhood - Pre-K. We hope you find this correlation to be a helpful tool in supplementing your curriculum.

Lakeshore determines product development needs based on:

- Research related to the latest trends in early childhood education
- Feedback from focus groups consisting of educators from across the United States
- Structured and unstructured classroom observation
