Unit I Materials

Opening the World of Learning Manipulative Kit	
KT501	\$1,995.00

Unit 2 Materials

Designed in conjunction with Pearson Early Learning, our Opening the World of Learning (OWL) Manipulative Kit is packed with materials that maximize learning for preschool-aged children.

Our all-in-one kit is designed to blend seamlessly with any early learning program, and is available only from Lakeshore.

Featuring everything from puzzles & puppets to alphabet stamps and science tubs, the kit is divided into six themed units that align to the OWL program: Family, Friends, Wind & Water, The World of Color, Shadows & Reflections, and Things That Grow.

Unit 3 & 4 Materials

Pearson and Lakeshore believe our goals align with Pennsylvania Learning Standards—strengthening families and communities through quality pre-kindergarten partnerships.

This Pre-K kit makes it easy for you to obtain both an integrated, comprehensive Pre-K curriculum and a full array of related manipulatives to make learning an engaging, hands-on experience for young students every day.

Unit 5 & 6 Materials

Contents of early learning kits subject to change.

materials that target your Pre-K curriculum!

Preschool Math Kit KT346 \$152.54

Developed in partnership with the Southern Early Childhood Association (SECA), this comprehensive kit contains a variety of hands-on materials ideal for preschool settings, and Dr. Jean M. Shaw's book *Mathematics for Young Children*.

From sorting and patterning to counting, estimating, and measurement—even telling time—our Preschool Math Kit presents fundamental math concepts in a format that young children can relate to and comprehend.

Pre-K Science Kit KT577 \$529.00

Filled with hands-on tools and step-by-step activity cards, this outstanding kit enables young learners to explore science topics at their own level—and meet key educational objectives.

Children use simple tools, make observations and predictions, identify similarities & differences, compare objects, use basic scientific terms, and more—all at their level!

Head Start Garden Project Kit KT862 \$237.05

With a comprehensive Garden Guide written by the California Head Start Association, our Garden Project Kit provides an ideal introduction to gardening, nutrition, and how things grow.

Filled with food manipulatives, a nutrition lotto game, a CD, appropriately themed books, and more, our Garden Project Kit is the perfect way to promote gardening and science education in a Pre-K setting.
