Outdoor Classroom Learning Kit			
	Outdoor Classroom Learning Kit KT1302 Web Only	Create your own outdoor learning environment with our ready-to-use kit! Developed in collaboration with the California Association for the Education of Young Children, our kit is overflowing with hands-on materials and easy-to-implement ideas that let you integrate nature exploration with 5 key subject areas: math, science, language, music and art. Simply designate learning areas outside...set up the materials...and your outdoor classroom is ready! We've included 10 cards with step-by-step instructions for engaging activities—from an outdoor musical parade to creating a class book about plants...sorting & patterning with natural materials...and much more. You get all the materials you need to complete each activity, including picture dictionaries, natural building blocks, musical instruments & tools for outdoor exploration. The kit even includes a 52-page book full of ideas for building an outdoor learning area...plus an extensive teacher's guide packed with background information, activities and reproducible parent newsletters in both English and Spanish for at-home learning. ⚠ WARNING: CHOKING HAZARD — Small parts. Not for children under 3 yrs.	\$495.00
