What You'll Need

AVAILABLE IN OUR STORES:

- Construction Paper - 12" x 18" - Holiday Green (TA51HG)
- Collage Flowers (EE751)
- Flexible Foam Shapes (LC2831)
- Craft Tape Pack - 1" Bright Colors (SD742)
- Best-Buy Scissors - Blunt-Tip (TS547)
- Tacky Glue (TG170)

How to Make It

Prep Work:

- Make 1"-wide cuts across a sheet of construction paper, leaving an uncut 3" border along the bottom.

NOTE: To make it easier for crafters to use the tacky glue, try pouring small amounts into collage bowls (or paper bowls). Then provide crafters with paintbrushes for spreading the glue onto their craft.

- 1 Provide each crafter with a precut sheet of construction paper. Direct crafters to fold the strips in half to create stems, and assist them in taping the ends in place.
- 2 Instruct crafters to roll the construction paper into a cylinder and to glue or tape it closed.
- 3 Invite crafters to finish the bouquet by adding collage flowers onto the stems.
- 4 Once the materials dry, this colorful bouquet will make the perfect "thank you" for any teacher!
