### How to Make It

- 1 Have each crafter fold a paper plate in half, then unfold it slightly. Assist crafters in making a half-moon cut beginning at the fold line and cutting along the inner circle until reaching the fold line again.
- 2 Direct crafters to glue or tape the ends of the paper plate together. Then have them lift the cut flap up to be the top of the spaceship.
- 3 Invite crafters to decorate the spaceship using the arts and crafts materials. Remind crafters to create a funny alien using pom-poms, wiggly eyes and pipe stems!
- 4 Lastly, crafters can write a message on the spaceship to show Dad how special he is.
- 5 Once all of the materials dry, this card is the perfect gift for Dad!
