### How to Make It

- 1 Direct crafters to tape a craft stick to the middle-top of a Make-A-Face Sheet. Then have crafters tape a second craft stick toward the bottom of the Make-A-Face Sheet to create a handle.
- 2 Have crafters trace the party hat template onto construction paper. Assist them in cutting it out and gluing it at the top of the Make-A-Face Sheet.
- 3 Invite crafters to decorate the face and hat using the crayons and collage materials.
- 4 Encourage crafters to write a New Year's resolution on the party hat.
- 5 Once the glue is dry, crafters are ready to ring in the new year!
