Instructions:

Invite your child to fill in the blanks to complete each number pattern!

Helpful Hint:
With your child, count by 5s from 0 to 100 out loud. Then encourage him or her to count by 5s from 105 to 200 out loud. If your child struggles while counting aloud, encourage him or her to write down the number pattern in order to see it. Repeat these steps when counting by 10s and 100s!
