

Leprechaun Hunt Clues

I'm a Lucky Leprechaun!
To find me, read and look!
The first place you should visit
Is a room with lots of books!

Read this clue aloud to your class.
Are there any guesses? Follow the clues.

Hooray! You found this little clue!
I think that's very cool!
The person who holds the next one is
The principal/director of your school!

This clue should be hidden in the library.

Happy day! How smart you are!
A second clue you've found!
I left another hint for you,
Go look on the playground!

This clue should be given to the
principal/director to hold so that he/she can
read it when the children find him/her.

Way to go! You're almost there!
You're very close to me!
Next go to the lunchroom
And tell me what you see!

The next clue should be hidden on a
slide or swing on the playground.
